SCRIPTURE REFERENCES

MEMORY VERSE

Genesis 6:5 - "The LORD saw that the human heart was only evil."

Reflection: *How did our sin effect God's creation and our place in it?*

Prayer:

Father,

Thank You that You love us so much that You chose to create us the way You did. Thank You for placing us exactly where you wanted us to be. Thank You for being our Great Provider. Please forgive us for the many times we, just like Adam and Eve have chosen to willfully turn away from what we knew to be Your will. Forgive us for the many times we have chosen to believe Satan's lie instead of trusting You to know what is best for us. Forgive us for the times when we sinned against You and then tried to fix our problems by hiding from You and covering up our sins with so many fruitless activities. Please forgive us for often blaming others for our wrong choices instead of accepting personal responsibility.

Thank You that though we have turned our backs on You, You never stopped loving us and providing for us and for making a way for all of our wrong choices to be forgiven and forgotten forever. We praise You Father for the wonderful Father You are!

In Jesus name...Amen

We love you Father!

In Jesus name, Amen.
