#### PRAYER:

Father,

Thank You that You not only know and love all who live in the world, but You love each one of us individually.

Thank You that though we may not seem to be much in our own eyes or in the eyes

of others, You see us and have a special plan for each one of us.

Thank You that any time You give us a task to do, You will always be right there with us providing everything we will need to accomplish Your will.

Thank You that no matter how hard things get or how bad things become, You are so powerful that You can take what is wrong and make it right again.

Thank You that when You make a promise, You always keep Your Word

Help us to listen to You each day and to fully follow what You want us to do.

We love You because You first loved us!

In Jesus name...Amen
