SCRIPTURE REFERENCES

Genesis 11

MEMORY VERSE

Genesis 6:5 - "The LORD saw that the human heart was only evil."

Reflection: *Noah and his family needed God to rescue them from the flood. How did God rescue us from our sin?*

Prayer: Father, thank you that we do not have to build a staircase to climb up to Heaven to be where you are. Thank you for choosing to come down to earth to be where we are. Forgive us for the times when we have tried to lift ourselves up with our words or our accomplishments in order to draw attention to ourselves. We know that true happiness comes by knowing you and following you all throughout the day.

Help us to live in such a way that instead of pointing others to ourselves, we will be able to point others to you and to the One who made it possible to know you in a personal way.

We love you and praise the name of the One who is worthy of all praise. The name of Jesus our savior!

It is in His wonderful name we pray, Amen.
