## Personal Quiet Time

### WEEK 4 - January 27

**Passage: Genesis 6-9**

Genesis 6:9 states that Noah walked with God. What does it look like in your everyday life for you to walk with the Lord?

While building the ark, Noah endured the ridicule and criticism of those around him. Describe a time when you were criticized for following God's direction. How did you respond to the opposition?

Do you know someone that has been blinded by the enemy and is walking in darkness? How does God want you to respond to them? How did God respond to you when you were in that same condition?

Every day this week, spend time praying for this person that they would come to know Jesus as their Lord and Savior.
