### WEEK 11 – March 17

**Passage: Exodus 14-15**

We see in James 1:20 that the anger of man does not achieve the righteousness of God. Pharaoh's anger clouded his judgment. Recall a time when your anger led you to make an unwise decision.

In Exodus 14:14, Moses reminded the Israelites that the Lord would fight on their behalf (Joshua 23:3). Describe a current circumstance in which you are asking the Lord to intervene.

The Lord goes before us, comes behind us, and is always with us. Describe how comforting those words to you.

Thank God for a time when you saw Him powerfully deliver you from a very difficult situation.
