## Personal Quiet Time

### WEEK 10 – March 10

**Passage: Exodus 3-13**

Just as God spoke with Moses in Exodus 3, He desires to have an intimate and personal relationship with us. What are some indicators of a healthy relationship with God?

In Exodus 4:10, Moses gave excuses for why he wasn't the best choice to lead the Israelites. When God gives you an assignment, what excuses might you give Him?

In Exodus 8, Moses gave Pharaoh the honor of deciding when the frogs would be removed from the land.

Pharaoh's surprising response was "tomorrow."

Describe a time when you practiced delayed obedience.

Spend some time thanking God for how He delivered you from the bondage of your sin.
