### WEEK 12 – March 24

**Passage: Exodus 16-17, 19-40**

We often criticize the Israelites for how they grumbled and complained following their exodus from Egypt, but we are also guilty of complaining. What is the source of your complaints towards the Lord?

God used the provision of manna to teach the Israelites daily reliance on the Lord's provision. Describe a time in your life when resources might have been hard to come by and you were even more dependent on God's provision.

In Exodus 32, the Israelites assembled a golden calf to worship. In our society today, what are some idols we are prone to worship?

Of the Ten Commandments, which one does our society most need to hear? Which one do you most need to hear?
