

## Serve R City Spring 2020

Redemption Church will be serving our city in the **months of April & May**. We are asking each Grow Group Leadership Team and Small Group Leadership Team to spearhead a project in our community that will show the love of Jesus to our city. If your group already ministers to a local organization on a regular basis, then utilize the Serve R City emphasis to do something special for them.

If you don't currently partner with a local organization, here are a few guidelines to help you develop your ministry plan:

1. The ministry must benefit an individual or group that is **NOT A MEMBER** of Redemption.
2. **Redemption Church will contribute up to \$150 towards your project.** Please, no fundraising outside your group.
3. Save your receipts and request reimbursement up to \$150 from Shana Gray at [shanag@goredemption.com](mailto:shanag@goredemption.com).
4. Please use the Serve R City Ministry worksheet to submit your ministry plan by **April 15th**. Turn it in to Shana or scan and e-mail it to [shanag@goredemption.com](mailto:shanag@goredemption.com).
5. Groups may work together to perform a single project.

Here are a few ideas of ministries that could be performed. This list is simply a starting point. Your team can choose any ministry that meets the guidelines from above.

1. Local School - cleanup, power washing, beautification, repair, teacher luncheon
2. Single Moms - maintenance, car care, child care
3. Block party in your neighborhood to connect with the unchurched, an underprivileged neighborhood, local park, or apartment complex
4. Cook out for First Responders, City Sanitation Workers, or Ronald McDonald House
5. Build a wheelchair ramp for an elderly individual in need
6. Take lunch to city workers, clean, prepare supplies
7. Clean a local park
8. Partner with one of our local ministries (listed on the next page)
